INTERNSHIP CERTIFICATE

This is to certify that **Mr. Pranav Sanjay Kalambe** of K J Somaiya College of Engineering, has successfully completed a 12-weeks (14 to 15 hours/week), of Virtual internship with recycleX Pvt Ltd from **February 18th, 2021 to May 18th, 2021 (total - 180 Hours)**.

recycleX is a leading recycling startup and is on mission is to provide innovative and sustainable solutions to the global waste pandemic by manufacturing building materials for future India. recycleX is India's first startup manufacturing Green Building products like Bricks, Paver Blocks, Kerbstones, Solid blocks from Plastic, Industrial and C&D Waste. Today recycleX is working closely with some of the leading Industrial Construction projects helping them to reduce the effects of co2 emissions and working on various CSR and EPR Projects.

During the internship, Pranav has made valuable and impactful contribution to the **Brand Communication & Graphic Designing**. His assistance towards the Graphics Designing team was found to be satisfactory in fulfilling the following tasks:

- Aligning with editorial strategy and develop content through visuals and designed concepts
- Develop creative ideas for original content for the site
- Design, create and edit graphics, charts, infographics, ads, presentations and other digital content.
- Assist with content development and social media strategies for recycleX

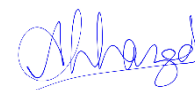

He always did his task with enthusiasm. Higher- quality work results showed an exceeded in the pace. In summary, we noted that Mr. Pranav Sanjay Kalambe did his assigned duties to our full satisfaction.

We would like to thank Mr. Kalambe for the very good cooperation and wish him all the best for future, both professionally and personally.
